Company Description: Hello there! We are LB Courier Services and we are a family owned business that take pride in the quality of our services. We are fully open to contracts to build professional relationships with your company as well as one time services. We can provide delivery via Cargo Van if the job requires it. Our drivers retain Class A licenses, HIPAA CERTS and BLOODBORNE PATHOGENS CERTS in order to deliver medical equipment, specimens etc. Please reach out and let's do business together!
