Company Description:

We are a Cleveland-based cargo van operation committed to providing fast, reliable, and secure delivery solutions across the Midwest and beyond. Backed by TSA clearance and operating under an active MC authority, we specialize in expedited and same-day freight with a focus on professionalism, punctuality, and service integrity.

Our coverage extends up to a 600-mile radius, with flexibility for urgent or high-value deliveries. We take pride in clear communication, clean equipment, and a consistent customer-first approach. Whether you're moving time-sensitive parts, medical goods, or business-critical freight, we’re here to get it there safely and on time.

Let’s build something reliable. We’re open to dedicated lanes, return freight, and long-term partnerships with brokers and shippers who value consistency and care.
